Login Page

To access use the following credentials:

Username: admin

Password: password

A screenshot of a login page for an application called 'TodoList'. The page has a light gray background. At the top, it says 'Welcome to' in black, followed by 'TodoList' in a large, bold, blue font. Below this, there are two input fields: the first is labeled 'Username' and the second is labeled 'Password'. Both fields are empty. Below the password field is a blue button with the word 'LOGIN' in white, uppercase letters. The entire login form is enclosed in a thin blue border.

Dashboard

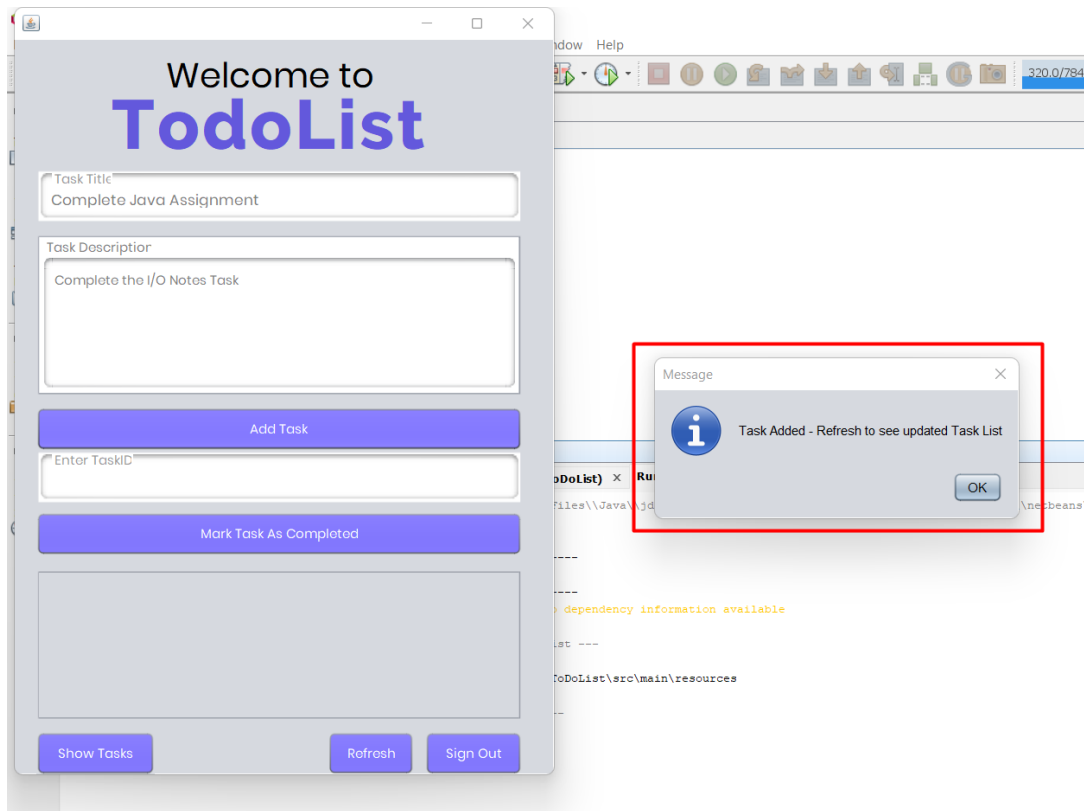

The front first look of the application.

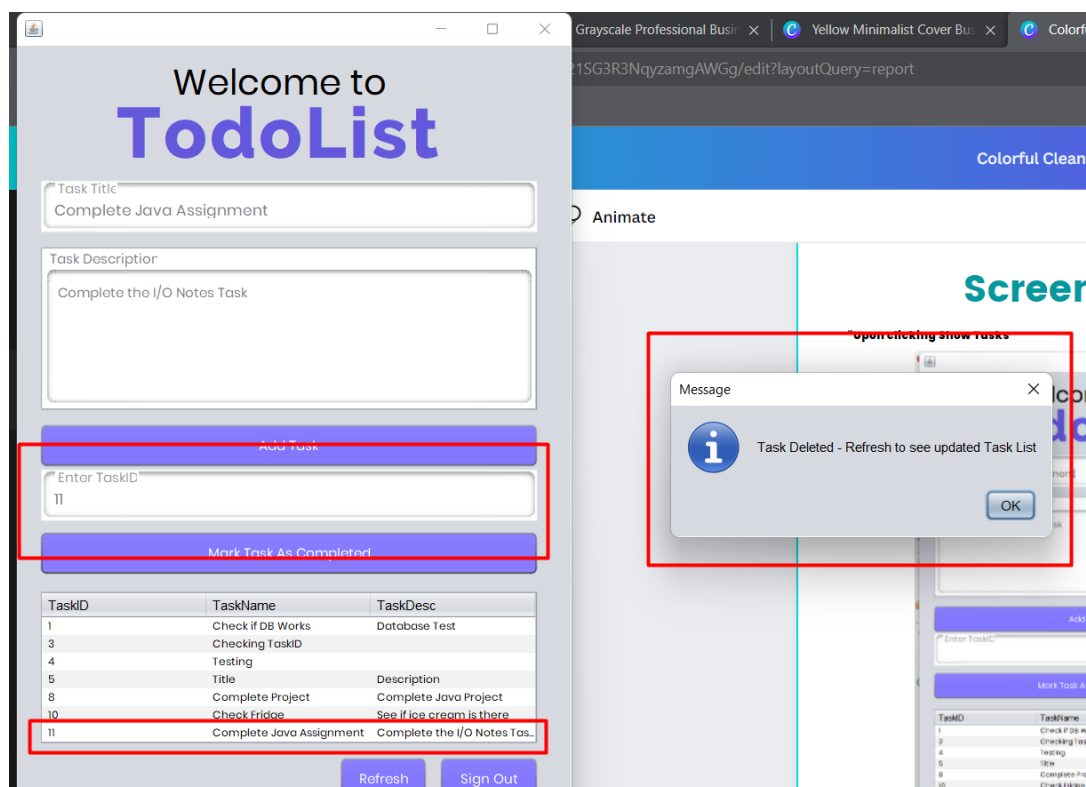

The screenshot shows a web application window titled "Welcome to TodoList". The interface includes a "Task Title" input field, a "Task Description" text area, an "Add Task" button, an "Enter TaskID" input field, a "Mark Task As Completed" button, and a large empty box for task details. At the bottom, there are three buttons: "Show Tasks", "Refresh", and "Sign Out".

"Upon clicking Show Tasks

The screenshot shows a web application window titled 'Welcome to TodoList'. The interface includes a 'Task Title' input field with the text 'Complete Java Assignment', a 'Task Description' input field with the text 'Complete the I/O Notes Task', an 'Add Task' button, an 'Enter TaskID' input field, and a 'Mark Task As Completed' button. Below these is a table with three columns: TaskID, TaskName, and TaskDesc. The table contains seven rows of task data. At the bottom right, there are 'Refresh' and 'Sign Out' buttons.

TaskID	TaskName	TaskDesc
1	Check if DB Works	Database Test
3	Checking TaskID	
4	Testing	
5	Title	Description
8	Complete Project	Complete Java Project
10	Check Fridge	See if ice cream is there
11	Complete Java Assignment	Complete the I/O Notes Tas...
